

# INDEX

**Editor's Note:** This year's index covers editorial material from the January 1989 through the December 1989 issues of *Air Cargo World*.

For easier reference, feature articles are indexed alphabetically under "Article," "Author" and subject heading. All entries are followed by the month of issue and page number.

The following monthly departments have been listed under separate headings, which in some cases also serve as a subject headings: "Automation," "Trucking," "Aircraft," "Global Trade," "Washington Wire," "Editorial Note" and "News." Automation and Trucking and Aircraft also serve as subject headings.
